

# Objective C: Creating the solution

- Construct a logical plan that describes the efficient use of time and resources, sufficient for peers to be able to follow to create the solution
- Demonstrate excellent technical skill when making the solution
- Follow the plan to create the solution, which functions as intended
- Fully justify changes made to the chosen design and plan when making the solution
  - Present the solution as a whole
    - ✓ DD product will be presented as either an executable file or readable file.
    - ✓ Also presented as a set of photographic images, which must show detail and scale.
